

FRUIT AND VEGETABLES
PLENTIFUL MARKET
Products of the South in Contrast
With Prevailing Wintry
Weather.
Advance Announced in Prices for
Fresh Meats—Poultry Remains
at High Figure.

With their stands in the markets of the city well supplied with all seasonable edibles, the dealers were this morning prepared to supply any demand. Southern fruits and vegetables made a tempting showing and caused the visitor to the market to forget it was the middle of winter here and that a heavy snowstorm was on hand. From now on, the dealers say, the receipts of fruits and vegetables from the southern gardens will continue to increase, but there will be no great supply until spring begins to come in from the Carolinas, which will not be for several weeks. Southern strawberries are unusually plentiful and cheap for the season, and hothouse asparagus has appeared in the market, but at prices that keep those with only moderately filled purses from indulging. Irish potatoes are reported scarce and prices on them have advanced.

Advance in Meat Prices.
In the meat market, lamb, beef, mutton and fresh pork have advanced from 1 to 5 cents on the pound, caused, the dealers say, by a shortage in the supply. Lamb is reported particularly scarce and this week it is selling at from 25 to 35 cents a pound, an advance of 5 cents over prices prevailing last week. While there has been no increase in poultry prices they remain at the high figure attained last week. Turkeys are selling at from 30 to 35 cents a pound, chickens at 22 to 25 cents a pound and other poultry at like figures. The shad season is on and the fish are selling at \$1.25 for roes and 75 cents for bucks.

Range of Figures Today.
In spite of the bad weather the markets this morning were fairly well attended and dealers report prices ranging as follows:

LARGER FISH SUPPLY.
Slight Increase in Market, But Prices Practically Unchanged.
There was a small increase in the supply of fish received by the dealers at the 11th street wharf market in the past week, and while some few varieties show lower prices the market as a general thing remained unchanged. Shad and herring from Florida waters appeared in the market in good quantities for early in the season and are in good demand.

As a general thing the demand for all good varieties of fish was excellent and prices this morning ranged about as follows: Shad, roes, \$1 each; bucks, each 55 cents; Spanish mackerel, 12c to 15 cents pound; herring, \$4.50 hundred; blues, 10 to 12 cents pound; rock, 15 to 20 cents pound; Potomac and North Carolina bass, 12 cents a pound; pollock, 4 1/2 cents a pound; haddock, 4 cents a pound; halibut, frozen, 11 cents a pound; salmon, 12 1/2 cents a pound; flounders, 4 cents a pound; carp, 7 to 10 cents a pound; pike, 13 to 14 cents a pound; large white perch, 12 1/2 cents a pound; small white perch, 10 cents a bunch; yellow perch, 30 to 50 cents a bunch; catfish, 50 to 60 cents a bunch; mud, \$5 a barrel; ling, \$7 a barrel; butterfish and croakers, frozen, 6 cents a pound; gray trout, frozen, 5 1/2 cents a pound, and frozen whiting, 2 1/2 cents a pound.

ACCIDENTS IN THE STREETS.
Messenger Thrown From Wheel.
Girl Hurt in Collision.
Walter Carter, a special delivery messenger, 1420 3d street northwest, was thrown from his bicycle near 9th and M streets northwest last night as a result of a collision with a motor cycle rider of which, it is stated, failed to stop. His identity is known, however, and it is probable that he will be cited to appear in court and answer charges. The boy was slightly injured and his bicycle badly damaged. He was owned by Samuel Brown, his father, collided with an automobile owned by Capt. F. B. Bassett, U. S. A., at 20th street and Massachusetts avenue. Both cars were damaged.
